CO-CURRICULAR ACTIVITIES BOOKLET

EARLY YEARS & INFANT CAMPUS
TERM 1

Dear Parents,

Our **Co-Curricular Activities (CCAs)** are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress. After the number of disruptions we have encountered across the school over the course of this academic year, we are incredibly excited to be offering a full range of Co-Curricular Activities for Term 1. We hope to see all students take advantage of the great opportunities on offer. To ensure your child does not miss out, read for details on how to sign your child/children up.

Term 1 CCAs:

Monday 18th September to Saturday 3rd December 2023 (10 weeks)

Welcome to the Co-Curricular Activities (CCAs) programme at the EYI Campus, BIS HCMC. The extensive programme on the EYI Campus is designed to extend existing learning opportunities beyond the classroom and to give all children a wider range of fun experiences that enhance the core curriculum. This booklet will help your child to choose their activities for Term 1 CCAs for the 2023-2024 academic year.

There is an extensive range of CCAs available to choose from each week at the BIS EYI Campus, and we would like to challenge and encourage students to explore some of the exciting new activities being introduced. For a full list of CCAs offered for Term 1, please see below.

As part of our continued enrichment programme, we have organised clubs into 5 categories to help all children choose a variety of clubs with the aim to vary their experiences.

The categories are:

Art, Community, Language, Sports, and Technology

Clubs are divided into 2 different types:

Free Clubs – offered by teachers covering a wide range of different activities on a set day and time.

Paid clubs – offered by outside providers, these clubs often require specialist tuition.

Each child in F2 to Y2 is offered one Free Club and unlimited Paid Clubs. Please note that we do not guarantee that the free club will be approved as all selections are generated randomly by the computer. **For F2, your child needs to be full time to have a CCA in Term 1.**

Sarah Curran

Deputy Head Teacher – EYI Campus

sarah.curran@bisvietnam.com

Registering your child:

How do you register your child for a club?

You may register your child for a club from **Friday 18th of August at 5.00pm until Friday 25th August at 5.00pm**. Clubs have maximum and minimum numbers which change according to the activity. See instructions on the following pages for Schools Buddy Sign-up.

On 23rd August at 4pm you can attend a CCA Fair where we will have paid providers available to answer your questions and showcase what they are providing.

For those popular clubs that have set student limits, spaces are chosen randomly by SchoolsBuddy and those who gain a place are notified. Children who sign up for paid clubs that are oversubscribed will be placed on a waiting list. Clubs may be cancelled if there are not enough children as required.

Paid clubs will be confirmed via email to those who have been allocated a place. Payment period will be from **Wednesday 30th August 2023 to Wednesday 6th September 2023 and can be completed through online banking or by cash**. Also note, if payment is not made during this time, then the place will be offered to the children who have been placed on a waiting list. Unless payment is received in full before the start date of the club, your child will not be granted a place - this will be strictly enforced. Please note that all paid club payments are non-refundable (unless BIS cancel the programme), and that if a paid CCA fails to reach minimum numbers, the club will not run.

Paid clubs will be confirmed via email to those who have been allocated a place. Please note that if a paid CCA fails to reach minimum numbers, the club will not run.

On-line Activity Selection- through SchoolsBuddy (with your Isams password)

All activities (free and paid) need to be selected on-line. Please see following pages for instructions and you will be able to see updates and changes to your approved activities through your on-line SchoolsBuddy homepage.

Choosing carefully is vital as the system will not be able to make changes once CCAs have been allocated.

Please take time to read through the rest of this booklet and log on to SchoolsBuddy, and If you have any questions, please do not hesitate to contact Ms Van at Van.Pho@bisvietnam.com.

I hope your children enjoy the clubs on offer.

Ms Sarah Curran
Deputy Head Teacher

CCAs Sign up through SchoolsBuddy - Procedure

Please note that the information below can only be accessed after the system goes live on Friday 18th of August at 5.00pm until Friday 25th August at 5.00pm.

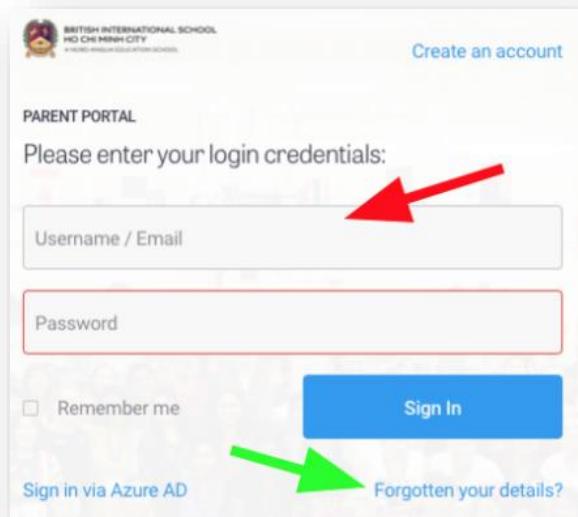

This system has been set up for you to select, and then track all your child's chosen activities. It can be found by going to the SchoolsBuddy website at the link below:

<https://bishcmc.schoolsbuddy.net>

After clicking the link, you will be directed to the login page. Do not add your email directly to this page, but instead, click on **'iSAMS (Parent)'** as seen to the left.

This will direct you to the iSAMS login page. Please login using details supplied to you by school. If a new parent, you will have received an email from school on your registered email address with the words **'New iSAMS Parent Portal Sign in'** within the subject line. Use those details to set up iSAMS. If you have forgotten login details, simply click the 'Forgotten your details?' option (see green arrow).

Once logged in correctly, you will land on your SchoolsBuddy Dashboard. It is on this page that you will again be able to see the CCA Booklet and the welcome message from school. After reading, click the close button, or scroll below the message to see the sign-up options.

Welcome to the British International School, Ho Chi Minh City's Co-Curricular and Enrichment Programme!

View all

Under 'Available Sign-Ups', look for the block option you like.

All activities can be accessed through the drop-down arrow beside the day of the week.

The screenshot shows the 'Activities' page with a search bar for 'Search group name' and a 'Clear All' button. Below the search bar is a list of days with available spots: Monday - 4 Available, Tuesday - 3 Available, Wednesday - 2 Available, Thursday - 2 Available, and Friday - 2 Available. At the top right, there are 'Save for Later' and 'Next' buttons.

Daily options can be accessed through the drop-down arrow and details such as costs involved can be seen. You then have an option of choosing up to 5 CCAs and putting a preference from 1 to 5 for each club (1 is your 1st choice). All allocations are random, but the highest available selection will be offered. Reminder, we offer only one free place for this 5-week block, but up to 5 paid CCAs.

The screenshot shows the 'Cooking club' activity details. The organiser is T. Nguyen. The time slot is 14:40 - 15:40, and the cost is \$3,000,000.00 per term. There are 16 spots available. Below the details, there are selection options for each day of the week, numbered 1 to 5, and an 'N/A' option. The '4' option is selected with a blue checkmark.

Once all selections have been made, click next, or save for later if you wish more time to consider. **Sign-up closes Friday 25th August at 5pm.** On the next page, review your choices and if correct, click submit to school.

The screenshot shows two buttons: 'Save for Later' and 'Next'.

The screenshot shows two buttons: 'Edit Choices' and 'Submit to school'.

When you hit Submit, you then need to acknowledge that you have fully read the terms and conditions found in the first pages of this booklet. Click okay, and then you are finished. Notification of accepted CCAs will be emailed on **Tuesday 29th of August 2023** and payments for paid CCAs will be available immediately. Good luck!

The screenshot shows a 'Terms & Conditions' dialog box. It contains the text: 'I acknowledge that I have read and clearly understand the terms and conditions of the Virtual CCA Programme as outlined in the Parent Booklet.' Below this text is a checkbox labeled 'I agree to the terms and conditions', which is checked. At the bottom, there are 'OK' and 'Cancel' buttons.

Technical Help:

- Monday 21st August at 7.45am next to the Guard House
- Tuesday 22nd August at 2.30pm next to the Sport Pitch
- Wednesday 23rd August at 4pm in the Sport Hall
- Thursday 24th August 7.45am next to the Guard House

CCAs Payment Procedure

Payments for those paid CCA options that your child has been accepted into can be made through online banking or you can book an appointment to pay cash directly to our Cashier Ms My.

Payment amounts for those clubs that your child has been accepted into will be emailed to you on Tuesday 29th August; with payment available from **Wednesday 30th August** and will close on **Wednesday 6th September** at the end of the banking day. All CCAs will begin on the week beginning the **18th of September**. If payment has not been cleared by our accounts team by Thursday the 7th September, a place will be cancelled.

Eximbank:

VIETNAM EXPORT IMPORT COMMERCIAL JOINT-STOCK BANK (EXIMBANK) – Saigon Branch

136-138 Le Thi Hong Gam street, District 1, HCMC

Account name: The British International School
Company Limited

Abbreviated name: BIS CO., LTD

Account No. VND: **2212 - 1485 - 103 - 1199**

Account No. USD: **2212 - 1485 - 103 - 1232**

<i>Technology</i>								
Jr.Scientists with Duplo	Can you explain the differences between mammals and reptiles? Or do you know which mammals live in the sea? In Snapology's Junior Scientists: All About Animals class, your little zoologists will be able to answer these questions in no time! They will learn all about the differences between vertebrates and invertebrates, warm-blooded and cold-blooded creatures, reptiles and mammals, and so much more while playing creatively with LEGO; DUPLO; bricks. Your child will be too busy exploring the animal world to realize that they are gaining critical social, motor, and developmental skills.	Monday	3.00pm	3.45pm	EYIC - Room 102	F3	Snapology	4,500,000
Junior Chef	Be amazed at the delicious world of food we're cooking in the Food Tech Lab! Come and explore different cultures and cuisines through the magic of cooking. Price includes a different tasty dish each week, a reusable, eco-friendly Lunchbox with built-in utensils, and a JuniorChef apron to keep young cooks looking at their best! All diets catered for, new dishes every term.	Monday/ Tuesday/ Wednesday	3.00pm	3.45pm	EYIC – F3 ELC	Y1 – Y2	JuniorChef	4,400,000
Science of Superpower	In Snapology's Science of Superpowers programme, children explore the world of their favorite superheroes. children will learn about forces, energy, and problem solving as they build models inspired by Superman, Batman, and all their favorite heroes. Experimentation and fun are crucial components of this educational programme!	Monday	3.00pm	3.45pm	EYIC – Room 105	Y1	Snapology	4,500,000
Planes, Trains and Automobiles Junior (PTA Jr.)	Transportation is all around! Cars, buses, trains, and airplanes are all important for communities and the world to stay connected. In Snapology's Planes, Trains, and Automobiles, your little learners will explore the importance of transportation, build models of cars, trains, boats, and more. Most importantly, they will experience important social interactions while working with a partner and learning with the group.	Tuesday	3.00pm	3.45pm	EYIC – Room 104	F3	Snapology	4,500,000

Name	Description	Day	Start Time	End Time	Location	Year Groups	Teacher	Cost
Brick Art and Design Lab	As your child learns about different types of art and the periods in which they were created, children will also be interpreting what they see and creating their own works of art out of LEGO's bricks. In Snapology's Brick Art and Design Lab class, children will draw inspiration and guidance from great works of art like Da Vinci's Mona Lisa, &Van Gogh's Starry Night,& Wright's Falling Water; and so many more! By the end of the experience, your child will be able to not only share information about famous artists, art forms, and art movements, but create their own unique works of art that reach beyond the past and into the future.	Tuesday	3.00pm	3.45pm	EYIC - Room 102	Y2	Snapology	4,500,000
Jr. Engineers	Does your little learner love to tinker and create new things? This Snapology programme will give your child opportunities to build functional LEGO& DUPLO& models of elevators, amusement park rides, robotic dogs, spinning tops, and so much more! As your child works alongside other little engineers, they will be learning the importance of teamwork and how collaboration is an essential component of engineering and design.	Wednesday	3.00pm	3.45pm	EYIC – Room 101	F3	Snapology	4,500,000
Minecraft Lego	In Snapology's Creature Creator Robotics class, students will create their own animal inspired robotic models. They will learn about gear ratio, sensors, simple machines, and programming as they build insects, dolphins, gorillas, and much more. Students will apply the programming skills to enhance their robots by adding motion sensors, loops, or creating fun sounds, etc, in an easy to use, drag and drop programming format.	Wednesday	3.00pm	3.45pm	EYIC – Room 212	Y1	Snapology	4,500,000
Junior Chef - Thursday	Be amazed at the delicious world of food we're cooking in the Food Tech Lab! Come and explore different cultures and cuisines through the magic of cooking. Price includes a different tasty dish each week, a reusable, eco-friendly Lunchbox with built-in utensils, and a JuniorChef apron to keep young cooks looking at their best! All diets catered for, new dishes every term.	Thursday	3.00pm	3.45pm	EYIC – F3 ELC	F3	Junior Chef	4,400,000

Name	Description	Day	Start Time	End Time	Location	Year Groups	Teacher	Cost
BotBuilders (Cubelets)	In this challenge-focused program, your student will begin to develop their computational thinking skills by playing with modular, robotic cubes known as Cubelets. Imagine this - every way your students naps the magnetic cubes together creates a unique robot, but what really matters is how they figure out the perfect robot recipe to solve a challenge. They will work in small teams to figure out how to create lighthouses, racer bots, wheelie bots, goofy animals, and so much more! Is your student ready to play and tinker all day with Snapology?	Thursday	3.00pm	3.45pm	EYIC – Room 203	Y2	Snapology	4,500,000
Kinder Robotics	Children will begin to explore the world of robotics as they build simple models that teach the fundamentals of robotic design. Whether learning about sensors while building drills and magic wands, or discovering ways that gears and pulleys create movement while building helicopters and robotic dogs, your child is sure to have a great time with Snapology.	Thursday	3.00pm	3.45pm	EYIC – Room 104	F3	Snapology	4,500,000
Science Wizards - Aroma Factory and Materials	In this playful hands-on program of science and excitement, your intrepid scientist will learn the sights, smells and materials that fill this vibrant world of ours. They will create their own homemade soaps, sandcastles and plastics, learn about flowers, construction materials and painting with unique resources, and take part in educational party games such as a scent guessing game (engaged in whilst blindfolded!) and a team bridge building exercise. Your young learners will develop their ability to express themselves creatively, grow their understanding of natural materials and their uses, acquire the skills needed to work in teams and follow instructions, and have a lot of fun!	Thursday	3.00pm	3.45pm	EYIC – F1 ELC	Y1	Snapology	4,500,000
