#### Chartwells at Nord Anglia International School Hong Kong

For more than a quarter of a century, Chartwells has focused on helping young people build strong bodies and sharp minds around the world. **To Eat, Learn and Live.** 

We don't just want children to eat our food ... we want them to LOVE it. Our nutritionists and chefs go to great lengths to create food that looks good, tells a story and is in tune with the latest trend.

All our meals will be cooked daily at our central production unit, which will be delivered hot and fresh for them to be served to students at NAIS. We have strict sourcing policy with focus on food safety in place to ensure that the food that we serve is from a reliable and trustable source with traceability.

At NAIS, **primary pupils** will be on a monthly pre-paid meal enrolment system. For **secondary pupils**, they can either pre-order on a monthly basis or make their choices daily from the different serving counters.

In this newsletter, you will find some basic information about our services with the school and some frequently asked questions parents and students usually have at the beginning of the school term.

Thank you for choosing Chartwells. We look forward in serving you in the new school term.

# Café

The café at NAIS will be built around two key principles: serving great coffee and high street café menu items. It is not just a deli - the modular design allows us to tailor the offer to meet individual needs and expectations. Sustainability is one of our keys that differentiate us from other providers, the coffee we serve is of Organic Fair-Trade Coffee beans and the food that we serve are of seasonality.

#### **Chartwells Nutritionist**

Chartwells feels it is our responsibility to have a nutritionist to answer parents, pupils and teachers' concerns in a professional manner.

The education sector has specific, exact requirements. Experts agreed that children and adolescents need a varied and a nutritious diet for both physical and intellectual development.

The Department of Health has recorded a rising trend of obesity among primary school pupils. As a responsible caterer, we care for our children's health. We are committed to provide high quality food to meet the nutrient needs of our pupils.

The role of our Nutritionist to schools

- Leading health engagement activities
- Healthy Promotion and Prevention
- Menu Planning with healthy choices
- Provide health talks, health seminars
