

Dear Parents,

We are thrilled to welcome you to the school year 2024-2025. As we embark on this exciting journey together, we look forward to continuing our tradition of excellence in teaching and learning. Each new school year brings fresh opportunities to inspire, challenge, and support every student in achieving their fullest potential. We are eager to share these upcoming experiences with you and to foster a vibrant educational environment for our community.

At CDL, we are committed to providing an exceptional learning experience for all our students. Our shared values of **Respect**, **Internationalism**, **Spirit** and **Excellence** (**RISE**) are the principles that guide our daily actions and help to unite our diverse community, promoting an environment where every student feels valued and empowered. Our aim is to shape generations that embrace and harness difference, ultimately changing the world for the better. Your child will discover unique experiences that enrich their learning, nurturing the discovery and development of their individual strengths.

Our dedicated staff eagerly anticipates the new academic year and is committed to inspiring, empowering, and challenging our students. We believe in cultivating active participation in learning and taking a holistic approach to education. We understand that true educational success is built on a foundation of well-being, and we are committed to making it a central focus in all our educational experiences.

As our CDL community continues to grow and flourish, I look forward to the opportunity to welcome you personally to our beautiful campus in August. Until then, I hope you and your family have a lovely summer.

Thank you for entrusting us with your child's education. Together, let us nurture educational success and create a community of resilient, curious, and motivated learners.

Mrs Pauline Nord
Director General
