## PARENT FACULTY ASSOCIATION

---

The Parent Faculty Association (PFA) is a non-profit organisation, run by parent volunteers, which works with the school to provide additional fun activities for the children and to support the teachers. The general meeting is once a month and everyone is invited to attend.

Please ensure the teacher and the nurses know about any allergies or medical conditions that your child may have.

- If necessary, medicines should be delivered in their original container, clearly labelled with the child's name and the doctor's prescription.
- In case of fever, contagious illness or vomiting, we kindly ask you to inform us and **keep your child at home until he/she is fully recovered. (24 hours minimum without symptoms)** to avoid spreading contagious germs.
- Every child sent to the school goes out for recess and cannot be kept inside, except for exceptional circumstances.
- If the nurse or the teacher suspects that your child is sick, you will be contacted and asked to collect your child.
- If your child is not feeling well (fever, stomach ache, sore throat...) you will be contacted and asked to collect your child.
