

WELCOME TO OUR MIDDLE SCHOOL SECONDAIRE

A choice of programmes to suit a variety of profiles

- Anglophone programme (delivery in English)
- English as an additional EAL programme
- Francophone programme (delivery in French)
- Bilingual programme (delivery in English and French)

A wide range of subject offerings

- Languages (students learn English and French and one of Italian, German or Spanish)
- Science, History, Geography, Art, PE, Computer Science
- Music, Drama, Dance (every student learns to play the keyboard - the Juilliard School collaboration)
- Mathematics (students assigned to classes according to their individual levels)

A holistic education, addressing the needs of each student

- IYMC (International Middle Years Curriculum) as a framework to enhanced learning
- Homeroom curriculum to support students in all areas of development.
- Personal Learning Plans encourage students academically and the REACH programme promotes personal and social reasonability.
- An outdoor camp programme at the start of each year, with clear social, educational and skill outcomes
- Leadership opportunities in many different settings
- A variety of extracurricular opportunities in over 100 courses
- Interactive social activities within the House programme, as well as events organised by the Student Government
- Charity events to raise awareness and to make a difference to the lives of others
- Enrichment activities for students who demonstrate High Potential in one or more areas
- Learning Support programmes for students who learn differently
